Career Objective

To take the knowledge I learned from my bachelor's degree of Science in Audio Production at the Art Institute of Philadelphia, and to combine it with my work experience to fulfill a position of Sound Engineering in a medium to large Radio broadcasting organization. To produce better sound quality and to help the organization to meet and surpass its goals.

LANGUAGES

Arabic
English

EDUCATION

- Present** **Bachelor of Science in Audio Production**  Philadelphia, PA
Graduating in June 2017 from The Art Institute of Philadelphia
- 2007 - 2008** **Diploma in Professional Marketing**  Riyadh, KSA
At the Training Center at Riyadh Chamber of Commerce & Industry

PROFESSIONAL EXPERIENCE

- 2017** **Mazij Mixer**  Philadelphia, PA
I developed a new web application for audio online mixing without any need to download any component of software. I created this website as my senior project at the Art Institute of Philadelphia
- 2017** **#AskSaudis on YouTube**  Philadelphia, PA
I created a new channel on YouTube for a cultural program about Saudi Arabia, where Americans ask questions, and Saudi people provide answers.
- 2016** **East Coast Recording Company**  Warminster, PA
I did my internship and worked on a workflow of audio and video productions in the recording studio.
- 2016** **The Fuge Venue**  Warminster, PA
I also did my internship as an audio-visual technician for live events doing live sound, lighting automation, and video projection.
- 2016** **Al-Bustan Seeds of Culture**  Philadelphia, PA
During my internship program, I also worked with Takht Ensemble on live concerts Like *Andalusia of Love* by Marcel Khalife.
- 2016** **Daesh Girl (Short Film)**  Philadelphia, PA
I worked as the sound recordist and designer for *Daesh Girl* film. The film earned awards in several festivals.
- 2000 - 2016** **Afthath Company**  Riyadh, KSA
This is the place where I started my experience in the hardest but practical way. I have founded my own small business in media productions that is specialized in audio and video production. I contracted through my company with many organizations like the Ministry of Water in Saudi Arabia

ACADEMIC AWARDS

- Dean's Honor Roll**
2013, 2014, 2015, and 2016
- Best of Quarter for seven times at the Art Institute of Philadelphia**
